

Dr. Masaru Emoto's Water Experiments

www.youtube.com/watch?v=Moz82i89JAw
It's interesting that, like the Bible Codes, this revelation was not first discovered by a Christian (*I think Dr. Emoto was a Buddhist*), validating the truth of Romans 1:20.

Comment from a neutral source on credibility:

"Emoto collected samples of water from various sources, froze them and looked at the crystals that formed under a microscope. The results that he obtained are quite simply astonishing. Clean pristine and healing waters produced regular shaped, stunning water crystals. By contrast dirty polluted water formed no crystal but blobbish shapes. **He then went on to play music to the water and got similar findings, music by Mozart formed beautiful crystals, heavy metal and popular music unappealing shapes.** Then he started **talking to the water**, taping messages onto the sample bottles and leaving them for a while before examining them. Leading to the same results. Love and gratitude materializes in beauty. Now two recent projects came to my attention:

[Tokujin Yoshioka](#)'s ongoing [show](#) at the *Museum of Contemporary Art Tokyo*. He exposed a pool of water to *Tchaikovsky's Swan Lake* while freezing it. The result shows how marvelously nature creates but it doesn't prove *Emoto's* story of course. According to [Phenom World](#), a Netherlands based manufacturer of electron microscopes and other high-tech imaging tools, "crystals exposed to music showed differences in size, form and structure of the surface. But **what exactly about different frequencies and rhythm vibrations **causes the change still remains a mystery****".

The second project is by [Alexey Kljatov](#) who built a DIY macro camera and captured snow flakes. I already wrote to him and he shared his insights of observing snow flakes for five years: All of them are pretty! They don't seem corrupted by our crude world."

Water frozen (*crystallized*) after being exposed to these words repeatedly.

Conclusion:

Since the human body is **MOSTLY WATER**, it matters what **WORDS** you **THINK, SPEAK, HEAR AND SEE!** It literally changes the water molecules in your physical body—either toward good health & life or toward sickness & death!
The 'parent force' of all life was the creative vibration of **WORDS spoken** by God, 'Light, be.' Genesis 1:3

'Johannine Comma'*

(St. John's pause)

1 John 5:7-8

"FOR THERE ARE THREE THAT BEAR RECORD ...

* (in heaven, the Father, the Word and the Holy Ghost and these three are one."

"And there are three that bear witness in earth),

(this 'Johannine Comma' is omitted in NIV and most modern translations)

...THE SPIRIT AND THE WATER AND THE BLOOD AND THESE THREE AGREE IN ONE."

This booklet attempts to address WHY focus has been drawn to this passage by it's obvious omission in older (*but, not necessarily more accurate*) manuscripts of the New Testament.

And, how WATER can actually bear record, or be a witness for the existence of God & His Nature (Love).

WHY is there a ‘JOHANNINE COMMA?’

In order to EMPHASIZE a scripture—before italics, bold print or capitalization were used, there were at least 4 ways it could be done:

1) REPETITION

Center Verse of the Bible

Psalm 118:8 “It is better to trust in the Lord than to put confidence in man.”

(The exact middle of the Bible is here.)

Psalm 118:9 “It is better to trust in the Lord than to put confidence in princes.”

2) WORD OMISSION, as in the first verse of the Bible (*read right to left*):

First & Last in 1st verse of the Bible:

בְּרֵאשִׁית בְּרָא אֱלֹהִים אֶת הַשָּׁמַיִם וְאֶת הָאָרֶץ

the earth and the heavens --- God created In the beginning

תּ Hebrew ‘aleph-tav’ (the 1st & last letter of Hebrew), usually translated near, with, by, at... is not translated here. It’s omitted in English. It would be **Alpha-Omega** in Greek.

3) EXTRA SMALL OR LARGE LETTER

In the Hebrew Masoretic text (*from which the KJV Bible was translated*), **4 Hebrew letters** are **extra small, in Esther 9:7-10** (where the 10 sons of Haman were named— & later hung) together **form the number** combination that signifies the year **5707**. The Hebrew year 5707 was our modern year 1946—the year when 10 Nazi war criminals were hung.

www.jewishmediaresources.com/article/338/

Here’s a few places that **begin** with an **extra large letter** (the ‘samech’ —‘to uphold’)

Ecclesiastes 12:13

“Let us hear the conclusion of the whole matter: fear God & keep His commandments: for this is the whole duty of man.”

Numbers 6:24-26 (Aaronic blessing)

“The Lord bless thee & keep thee The Lord make His face shine upon thee & be gracious unto thee The Lord lift up His countenance upon thee & give thee peace.”

Significance of the JOHANNINE COMMA
The religious controversy over the ‘Johannine Comma*’ (*words omitted from modern translations in 1 John 5:7-8*) may have happened for another reason.

4) to EMPHASIZE the WORDS that are NOT OMITTED—they are capitalized below:

1 John 5:7-8

“FOR THERE ARE THREE THAT BEAR RECORD *in heaven, the Father, the Word and the Holy Ghost and these three are one.*”

“*And there are three that bear witness in earth, THE SPIRIT AND THE WATER AND THE BLOOD AND THESE THREE AGREE IN ONE.*”

First, let me say that I use the KJV to study, mainly because the Old Testament comes from the mathematically perfect Masoretic Text, has the amazing corresponding Strong’s Concordance (*which took the whole life of a man to complete before the age of computers*), and because it is the **only** English translation that men literally laid down their lives in order to produce. It is truly sacred—**bought with the blood of saints**. And, it has no copyright!

Back on topic, the omitted words (‘Johannine Comma’) are **true, but not essential** to determine sound doctrine!

The Holy Trinity can be seen not only **in nature**, according to Romans 1:20 (*time, matter & energy created in Genesis 1—each having 3 states; the tabernacle having 3 compartments; the human body, having 3 parts (1 Thessalonians 5:23)*) but also

in scripture, according to Isaiah 48:16: “Come ye near unto me, hear ye thee: I have not spoken in secret from the beginning, from the time that it was, there AM I; & now the LORD GOD, & HIS SPIRIT, hath sent ME.”

That settles it. There IS a Holy Trinity!

So, instead of arguing over **what’s omitted**, let’s examine the words that are **undisputed in all translations**:

“FOR THERE ARE THREE THAT BEAR RECORD

in heaven, the Father, the Word and the Holy Ghost and these three are one.”

“*And there are three that bear witness in earth,*

THE SPIRIT AND THE WATER AND THE BLOOD AND THESE THREE AGREE IN ONE.”

we know the Spirit speaks (*bears record*)

1 Timothy 4:1 “Now the Spirit speaketh expressly....”

we know the Blood speaks (*bears record*)

Genesis 4:10 “The voice of thy brother’s blood crieth unto me from the ground.”

But, how does the WATER speak?

Habbakuk 3:10 “...the deep (abyss) uttered his voice...”

The work of the late Dr. Masuro Emoto on water demonstrates that **water molecules change** in the presence of positive or negative vibrations (*music or words*), spoken OR even written. They become beautiful crystalline hexagonal shapes (*below*) when exposed to the former, and disarranged or hideous scribble when exposed to the latter.
