

B) The 7 HOLES IN YOUR HEAD and the 7-Fold HOLY SPIRIT

(Revelation 4:5, 5:6)

YOU are made in the **IMAGE of GOD**
with 7 openings in your head, serving as your

Transmitter/Receivers:

2 ears, 2 eyes, 2 nostrils & 1 mouth.

God has **7 transmitter/receivers:** the 7 Spirits of
God represented by the Menorah* (Zechariah 7:2, 10)

God is everywhere. He **IS** Light (John 9:5).

SPIRITUAL EYES & EARS

God's Spirit is always transmitting in the airwaves
of light/sound. Artists, composers, inventors, and
others who nourish their innate creative abilities
may not even know the Lord Jesus or
His Holy Spirit but, because they are made in
God's image, they can **'tune in'** to these airwaves
and **see & hear** heavenly signals.

Their challenge, then, is to reproduce the art,
music or inventions that they've seen & heard for
others to see & hear.

*Warning: It's important **what** you allow **into** your
'eye-gates' and **'ear-gates.'** Not everything being
transmitted supernaturally is from God—but
everything **received** affects body, soul and spirit.*

When you **receive God's Holy Spirit**, your
MOUTH is affected **first** (Acts 2:4, 10:46, 19:6)
by the Spirit of the Lord. Then, your **EARS** are
opened to **Wisdom and Understanding**. Then,
your **NOSTRILS** are strengthened with the breath
of life to impart **Strength and Counsel** to others.
Then, your **EYES** behold the **Knowledge** of God
and the **Fear of the Lord**. (Isaiah 11:2)

*Note: this is **only one** revelation of
the 7 branched Menorah.

C) How we WAKE UP

(naturally & spiritually)

IT SURE IS DARK (1 Thessalonians 5:5)

I NEED TO GET UP (Romans 13:11)

TURN ON SOME LIGHT (Ephesians 5:13b)

WHAT TIME IS IT? (Luke 16:16)

I'VE GOT TO ELIMINATE (Ephesians 4:31)

MY MOUTH NEEDS CLEANING (James 3:6)

I'M THIRSTY & HUNGRY (Luke 6:21)

I'D BETTER GET DRESSED (Colossians 3:12-14)

D) FEASTS OF ISRAEL & STAGES OF HUMAN GESTATION

Messianic Rabbi Zola Levitt, with the help of an
obstetrician, discovered that the **milestones of
human gestation** take on spiritual significance
when coupled with the mystery of the
7 Feasts of Israel—meaning that **EVERYBODY
has kept God's feasts BEFORE they were born!**

Here are 4 of the ways the human
body reveals secrets of God and
His Kingdom:

- A) The 7 **SYSTEMS & 5 SUB-SYSTEMS**
of the human body demonstrate **12 LAWS of the
Kingdom of God**. (see next page)
- B) The **7 HOLES IN YOUR HEAD** are patterned after the
7 Spirits of God — HIS **Transmitter/Receivers** on
the earth. (Isaiah 11:2 Revelation 4:5, 5:6)
- C) The **8 ROUTINES of WAKING UP** reveals the pattern
of how **REVIVAL & REFRESHING** takes place in an
individual or a nation.
- D) The **7 STAGES OF HUMAN GESTATION**
God designed the process of childbirth to parallel
exactly the process of salvation, typified by the
Feasts of Israel. **EVERYONE** has kept the Feasts
before they were born! (Leviticus 23 & John 10:22).

"For the invisible things of Him (God) from the creation of
the world are clearly seen, **being understood
by the things that are made**, even His eternal power
and Godhead, so that they (*unbelievers*) are
without excuse." (Romans 1:20)

A) 7 Body Systems demonstrate 12 Laws of the Kingdom of God

5 of these systems have sub-systems (making 12 total laws demonstrated)

1) DIGESTIVE Systems obey the Law of SERVING

The digestive (*or gastro-intestinal*) system consists of the alimentary canal, mouth, esophagus, stomach, intestines, gall bladder, liver and saliva.

It is able to process an incredible variety of substances and convert them into usable energy for the body. In the Kingdom of God, whatever comes your way in life, (*whether sent from God or not*), can provide life and strength

to the body if it is properly 'digested.'

subsystem: ELIMINATIVE Systems obey the Law of RELINQUISHMENT

While each of the other systems have eliminative mechanisms, the organs of elimination, the urinary system and bowels, provide an exit for things the body doesn't need. In the Kingdom of God, unproductive thoughts need to be relinquished quickly—for the health of the body.

2) NERVOUS Systems obey the Law of AUTHORITY

The nervous system, consisting of the brain and spinal cord and numerous nerve centers throughout the body, receives signals and transmits electrical impulses to the brain, which, in turn, respond with signals carried to each body part. In the Kingdom of God, the communication system is **prayer** to the Head—God the Father, who networks His responses through delegated authorities.

The Nervous System demonstrates how prayer works—and explains how it can be hindered.

subsystem: SKIN obeys the Law of RESPONSIBILITY

Skin **covers & protects** the entire body. In the Kingdom of God, saints are responsible to cover and protect each other. And, like fingers, each believer leaves their own unique prints on all they 'touch.'

3) SKELETAL Systems obey the Law of FAITHFULNESS

The skeletal system, consisting of 206 bones, including the skull, is what keeps the body upright. It not only supports the weight of the entire body, but within its bones, it produces the lifeblood.

A flexible, yet steadfast, posture is essential. In the Kingdom of God, there can be no wavering between faith and unbelief. Believers are called to stand firm, not swayed by emotion or doubt, but having the posture of a made-up mind. A good skeletal system demonstrates the importance of faithfulness.

subsystem: TEETH obey the Law of USE

The teeth are the hardest part of the body and yet can simply fall out from lack of use. In the Kingdom of God, that which is your greatest strength can be lost through negligence. In other words, use it or lose it!

4) CIRCULATORY Systems obey the Law of DOMINION

The circulatory (*or cardio-vascular*) system, consisting of the heart, blood, blood vessels, arteries and veins, transports blood through 60,000 miles of blood vessels, saturating & sustaining every part of the body with oxygen and nutrient-rich blood.

In the Kingdom of God, dominion is taken by **speaking the Word of God** (*typified in the Old Testament by blood sprinklings*). Jesus declared Himself to be the Word of God made flesh. As His **spoken Word** (*the blood*) permeates the earth, it carries life.

subsystem: LYMPHATIC Systems obey the Law of PERSEVERANCE

Blood leaks out of the capillaries and is cleansed and returned to the bloodstream by the lymphatic system—which requires movement.

In the Kingdom of God, those who "leak" through the system are renewed and restored by perseverance—by 'keeping on keeping on.'

5) MUSCULAR Systems obey the Law of UNITY

The muscular system, consisting of 650 muscles and tendons, allows the body to move freely. The muscles work together, no one muscle moves alone! Muscles always pull together and never push against one another. In the Kingdom of God, the individual members must work together. From this unity comes strength.

6) RESPIRATORY Systems obey the Law of RECIPROCITY (*Giving /Receiving*)

The respiratory system includes the nose, windpipe and 2 lungs. It receives oxygen and dispenses carbon dioxide. In the Kingdom of God, the amount received (*inhaled*) is in **direct proportion** to the amount dispensed (*exhaled*).

7) GLANDULAR Systems obey the Law of CHANGE

The glandular system consists of 7 main glands: pineal, pituitary, thyroid, hypothalamus, adrenal, pancreas & sex organs. They produce hormones that regulate changes in the body: growth, pain & energy levels and body temperatures. They are activated not only by sight, hearing, feeling, tasting and touching, but by **thoughts**.

In the Kingdom of God, **change** is constant. The mind-set that allows for change and adapts to it will be a catalyst for growth and provide balance and well-being to the Body of Christ. By the same token, inability to adapt hastens death.

subsystem: REPRODUCTIVE Systems obey the Law of MIRACLES

Male sex glands can be activated by **seeing** and female sex glands by **hearing**. The purpose of both is **new life**. In the Kingdom of God, miracles are first **seen** (*by faith*), then **spoken** (*by faith*), **hoped for** and **birthed**.
