The government taxes it, sells you a license,
and fines you if you try to milk it or sell it.
RIGHT wing: **Capitalism** - You have 1 cow.
The government imports bulls for you to buy.
Far RIGHT: **Fascism/Despotism** - You have 1 cow.
The government shoots it (and then you).

High Wages Needed

'Well, sir, said the interviewer to the job applicant,
'for a man with no experience in this field,
you are certainly asking for a high salary.'
'Well, responded the applicant, 'the work will be a lot
harder for me since I won't know what I'm doing.'

Airport TSA

I was at the airport, checking in at the gate when an
airport employee asked, "Has anyone put anything in
your baggage without your knowledge?"
To which I replied, "If it was without my knowledge, how
would I know?" He smiled knowingly and nodded,
"That's why we ask."

Dead Duck

A woman brought a very limp duck into a veterinary clinic.
As she laid her pet on the table, the vet pulled out his
stethoscope and listened to the bird's chest. After a moment or
two, the vet shook his head sadly and said, "I'm sorry, but your
duck, Cuddles, has passed away." The distressed woman
wailed, "Are you sure?" The vet replied: "Yes, I am sure.

"How can you be so sure?" she protested... "I mean you
haven't done any testing on him or anything. He might just be in
a coma or something." The vet rolled his eyes, turned around,
and left the room. He returned a few minutes later with a black
Labrador Retriever. As the duck's owner looked on in
amazement, the dog stood on his hind legs, put his front paws
on the examination table, and sniffed the duck from top to
bottom. He then looked up at the vet with sad eyes and shook
his head. The vet patted the dog on the head left the room.

A few minutes later he returned with a cat. The cat jumped
on the table and also delicately sniffed the bird from head to
foot... The cat sat back on its haunches, shook its head,
meowed softly and strolled out of the room.

The vet looked at the woman and said, "I'm sorry, but as I
said, this is most definitely, 100% certifiably, a dead duck."

The vet turned to his computer terminal, hit a few keys, and
produced a bill, which he handed to the woman. The duck's
owner, still in shock, took the bill. "\$150!" she cried, "\$150 just to
tell me my duck is dead!"

The vet shrugged, "I'm sorry. If you had just taken my word
for it, the bill would have been \$20, but with the Lab Report and
the CAT scan, it's now \$150."

Frog Prince

An old woman was walking near a pond one evening
when she was startled to hear a frog speak to her: 'Pick me up,
pick me up, I'm really a handsome young prince if you will kiss
me.' She kept walking but the frog hopped along behind her
saying the same thing.

Finally, she picked him up and put him into her
pocketbook. But, the frog poked out of her bag and said, 'No, no,
no! You have to KISS me--then I'll become a handsome prince.'
She pushed the frog back into her purse and closed it tight.
When the frog wouldn't shut up, she calmly opened her
pocketbook and said to the frog 'I'm sorry, but at my age, I
would REALLY rather have a talking frog.'

Busted on the Bridge

A Texas State Trouper, accompanied by the press,
stops a vehicle and, with a camera focused on the
driver, a reporter puts a microphone up to him and
says: 'Sir, you have just won \$1,000 for being the one
millioneth car over this bridge. Congratulations! What
do you intend to do with your prize money?'
'Wow,' he said, turning to his wife, 'first, I'm gonna take
that driving course and get me a real driver's license.'
Immediately, his wife sarcastically replied, 'he always
says that when he's drunk.' Then, the guy in the back
seat wakes up, sees the officer, and says 'I didn't know
the car was stolen, honest. They kidnapped me.
Then, they hear banging from the trunk and another
man yells 'are we over the border yet?'

Pastor's Prayer

"Dear Lord," the minister began, with arms extended
toward heaven and a rapturous look on his upturned
face. "without You, we are but dust..."
He would have continued but, at that moment, a little
girl leaned over and asked her mother quite innocently
in her shrill little girl voice, "Mommy, what is butt-dust?"

Flying with Children

After an overnight transatlantic flight, a woman
wearily arrived at Rhein-Main Air Base in Germany with
her 14 children, some of which had obviously had air-
sickness during the flight. Collecting the suitcases, they
entered the cramped customs area. The customs
official watched the entourage in disbelief, "Ma'am, do
all these children and this luggage belong to you?"
"Yes, sir," she said with a sigh. "They're all mine."

The customs agent began his interrogation:
"Ma'am, do you have any **weapons, contraband or
illegal drugs** in your possession?" "Sir," she calmly
answered, "if I had any of those items, I would have
used them by now." The sympathetic official motioned
them to pass without opening a single suitcase.

Letter from Prison

An old man wrote to his son, who was in prison, and told him that he probably wouldn't be able to garden much longer—the ground was too hard this year. He said he wished his son were with him to help him dig up the garden in the back yard, but knew that was impossible this year. A few days later he received a short letter from his son that simply said: 'Don't dig in the back yard—that's where the bodies are buried. Love, Vinnie.'

Within a few days, government agents came to his door with shovels & pick-axes and spent the day digging up the back yard. After finding nothing, they apologized to the man & left. Then he received another note from his son, saying, 'Sorry, dad, it was the best I could do from here. Love, Vinnie.'

Gifts for Mom

Three sons were discussing the gifts they were able to give their elderly mother. The eldest said, "I built a big house for our mother." The second said, "I send her a Mercedes with a driver." The youngest smiled and said, "I've got you both beat. You remember how mom enjoyed reading the Bible? And, you know she can't see very well now. I sent her a remarkable parrot that has been taught to recite the entire Bible. He's one of a kind. Mom just has to name the chapter and verse and the parrot recites it."

Soon, mom sent out her letters of thanks. To her first son: "The house you built is huge! I live in only one room, but I have to clean the whole house." To her second son, "I am too old to travel. I stay home most of the time. And the driver is rude." To her third son: "You have the good sense to know what your mother likes. That chicken was delicious."

Medicine

A man went to his doctor and told him that he wasn't feeling well. The doctor examined him, left the room and came back with 8 bottles of pills, instructing him to take 5 from each bottle with 8 ounces of water 8 times a day. 'My goodness, Doc, what's my problem?' The doctor replied: 'You're not drinking enough water.'
