

Good News!

Trees don't decide what kind of fruit they bear and there's nothing they can do to bear a different kind of fruit.

If you are disappointed to discover that your fruit **isn't** good--if you are sorry & want to produce good fruit, all you have to do is ask your CREATOR to **graft** you into HIS TREE--so that you can begin to develop HIS FRUIT (*the fruit of the Spirit*).

That decision will result in what is called 'being BORN again' and is demonstrated by water baptism. As you go under the water, you are declaring that you have surrendered to 'die' to selfishness and that you want Jesus Christ to take over your life and live HIS unselfish LIFE in you!

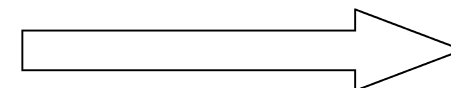

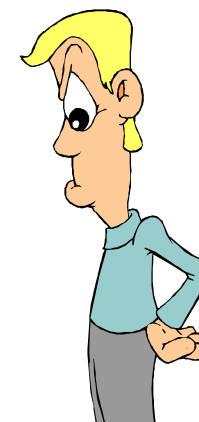

Since **unselfishness** is foreign to both our **INHERITED AND LEARNED** behavior, God provided a Book (the Bible) and a Guide (the Holy Spirit) to help us grow into

'...Trees of Righteousness, the planting of the Lord, that He might be glorified.' (Isaiah 61:3c)

(ANY of the above fruit produces death--Romans 8:13)
