

WHY is there a ‘JOHANNINE COMMA?’

In order to EMPHASIZE a scripture—before *italics*, **bold print**, or CAPITALIZATION were used, there were at least 4 ways it could be done:

1) REPETITION

Psalms 118:8 “It is better to trust in the Lord than to put confidence in man.”

The center of the Bible is here.

Psalms 118:9 “It is better to trust in the Lord than to put confidence in princes.”

2) **WORD OMISSION**, as in the first verse of the Bible (read right to left): **1st verse of the Bible:**

בראשית בראא אלהים את השמים והארץ
the earth and the heavens --- created God In the beginning

א (the center word) in Hebrew is ‘aleph-tav’

(the 1st & last letter of Hebrew), usually translated: near, with, by, at... is not translatable here. It’s omitted in English. It would be **Alpha-Omega** in Greek & we know Who that is!

3) EXTRA SMALL OR LARGE LETTER

In the Hebrew Masoretic text (from which the KJV Bible was translated), **4 Hebrew letters** are **extra small**, in

Esther 9:7-10 (where the 10 sons of Haman were named— & later hung) together form the number combination that signifies the year **5707**. The Hebrew year 5707 was our modern year 1946—the year when 10 Nazi war criminals were hung.

www.jewishmediaresources.com/article/338/

Here’s a few places that **begin** with an **extra large letter** (the ‘samech’ —‘to uphold’)

Ecclesiastes 12:13

“Let us hear the conclusion of the whole matter: fear God & keep His commandments: for this is the whole duty of man.”

Numbers 6:24-26 (Aaronic blessing)

“The Lord **bless** thee & keep thee The Lord make His face shine upon thee & be **gracious** unto thee The Lord lift up His countenance upon thee & give thee **peace**.”

And, lastly, the scripture we’re looking at - words that **surround** ‘missing’ words:

4) WORDS AROUND OMITTED WORDS

“FOR THERE ARE THREE THAT BEAR RECORD...THE **SPIRIT** AND THE **WATER** AND THE **BLOOD** AND THESE THREE AGREE IN ONE.” 1 John 5:7-8

First, let me say that I use the King James Version of the Bible (KJV) to study because it comes from Hebrew & Greek manuscripts that contain mathematical codes, it is the only translation that has **NO COPYRIGHT**, it has the amazing corresponding Strong’s Concordance—which took his lifetime to complete (*before the age of computers*), & because it is the only **English** translation that men laid down their lives in order to come to fruition—brought forth by the **blood of saints**.

Back on topic, the omitted words (‘Johannine Comma’) are **true, but certainly not essential** to determine sound doctrine! **The Holy Trinity** can be seen not only **in nature** (*time, matter & energy created in Genesis 1—each having 3 states; the Tabernacle—having 3 parts; humans— having 3 parts, etc...*) but also, not only is the Trinity in the Jewish Shema (Lord, God, Lord), but is found in Isaiah 48:16:

“Come ye near unto me, hear ye thee: I have not spoken in secret from the beginning, from the time that it was, there **AM I**; & now the **LORD GOD**, & **HIS SPIRIT**, hath sent **ME**.”

That settles it. There IS a Holy Trinity!

So, let’s consider the words **NOT OMITTED**—especially the word **WATER**.

How does WATER speak?

In Habakkuk 3:10 we see water personified:

“The mountains saw thee, *and* they trembled: the overflowing of the water passed by: **the deep uttered his voice**, *and* lifted up his hands on high.” The deep (*water*) has a voice.

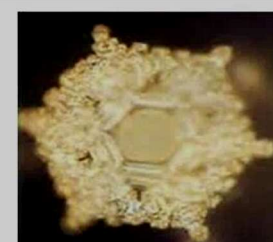

Until the invention of the microscope, we couldn’t perceive what water was saying. Now we can.

Water reacts to sound and ‘speaks’ by forming pictures—much like the earliest known pictograph languages (*Egyptian & Chinese*).

The work of the late Dr. Masuro Emoto on water demonstrates that **water molecules change** in the presence of positive or negative vibrations (*music or words*). They become beautiful crystalline hexagonal shapes (*below*) when exposed to uplifting, sweet and positive words:

Thank You

Love and
Appreciation

The water crystals become disarranged or hideous scribble when exposed to negative words or music:

Heavy Metal Music

You Make Me Sick, I Will
Kill You

Romans 1:20 says “For the invisible things of Him from the creation of the world are clearly seen, **being understood by the things that are made**, even his eternal power and Godhead; so that they are without excuse.”

Isaiah 33:14b-15 “...Who among us shall dwell with the devouring fire? who among us shall dwell with everlasting burnings? He that walketh righteously, and **speaketh uprightly**; he that despiseth the gain of oppressions, that shaketh his hands from holding of bribes, that **stoppeth his ears from hearing of blood**, and **shutteth his eyes from seeing evil**,”

Revelation 22:1 "And he shewed me a pure river of **WATER OF LIFE, clear as crystal**, proceeding out of the throne of God and of the Lamb."

Another interesting investigative doctor, Dr. Batmanghelidj, authored a book in 1992 called '**Your Body's Many Cries for Water.**' As a political prisoner in Iran, he used the only 'medicine' available to him--water--and discovered that dehydration manifests in the body as headaches, high blood pressure & cholesterol, arthritis, chronic cough & fatigue, asthma and ulcers. Obviously, he wasn't using American table salt (*sodium chloride & dextrose*). He used Iranian mineral-rich salt. Himalayan & Celtic salts contain up to 80 minerals (*many are electrolytes*) that stimulate the stomach enzymes vital for digestion & absorption. (It's likely that the miraculous cures he observed were from the **minerals in the Iranian water**--not **just** the water.)

Making DRINKING WATER better by:

FILTERING OUT PARTICULATES with Carbon, Paper/Cloth, Ceramic/Diatomaceous Earth (DE)
DESTROYING BACTERIA with chlorine, iodine, grapefruit seed extract (GSE), ozonation (*adding oxygen*), plants (*called 'phyto-remediation'*), colloidal silver, ultraviolet light/sunlight ...

FILTERING OUT EVERYTHING:

Distillation, Reverse Osmosis (RO)

***ALKALINIZING** ('SOFTENING' or 'IONIZING') with sodium potassium, sodium bicarbonate, dolomite...
(*pH stands for **p**otential of **H**ydrogen - the measure of **acidity**/hardness (1-7pH) or **alkalinity**/basicity (7-10pH) of a liquid. The optimal pH for drinking water is 7.)
ENHANCING cellular **hydration** with mineral salts, coral, quartz, magnesium, tourmaline, zeolite, shaking up or blending water (*to increase oxygen*), hexagonal/'structured' water (*fairly easy to make by creating a vortex of water and running it through a magnetic opening*)...

Note: There's an interesting scene in C.S. Lewis's 'Voyage of the Dawn Treader,' where the voyagers drink from a sea of water that **quenches all hunger** and **tastes like LIGHT!** (I believe C.S. Lewis wrote not just metaphorically--but prophetically.)

Dr. Masaru Emoto's Water Experiments

are detailed in his 2004 book

'The Hidden Messages in Water'

(It's interesting that, like the Bible Codes, this revelation was not discovered by a Christian. Dr. Emoto's Buddhist reasoning led him to conclude that water has a consciousness--rather than a brilliant Creator.

Water frozen (*crystallized*) as seen through a microscope *after being exposed to words*.

Conclusion:

Since the human body is 50-75% WATER, what you **hear, see, think and say** literally changes the **water molecules in your physical body**--either toward good health & life or toward sickness & death!

The '**parent force**' of all life was the creative vibration of **WORDS--spoken by God**, 'Light, be!' Genesis 1:3

Genesis 1:2 "And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of **God moved upon the face of the waters.**"

The Hebrew word for **Heaven** is ShaMayim. **Water** is Mayim.

Water 'Speaks'

Ephesians 5:26
"That he might sanctify and cleanse it with the washing of water by the word."

That awesome scripture about water is easy to understand, but how about this one? ...

"FOR THERE ARE THREE THAT BEAR RECORD

**in Heaven the Father, the Word and the Holy Ghost*
and these three are one. And there are
three that bear witness in Earth

THE SPIRIT AND THE WATER AND THE BBLOOD,
AND THESE THREE AGREE IN ONE."

1 John 5:7-8

the words underlined and in italics are called by theologians the 'Johannine Comma' (John's Pause) and are **omitted in most modern Bible translations because they do not appear in older (but **not necessarily more accurate**) manuscripts.*

1 John 5:6 tells us that Jesus came by water & blood--meaning He was fully human. We know that **blood speaks** (Genesis 4:10) and the **Spirit speaks** (1 Timothy 4:1), but how does **WATER speak**?

This is an attempt to address how WATER can 'bear record' (*testify*).
